Dear Parents/Carers,

Re: Transition to Chetwynd Junior School

Now we have final confirmations from admissions, we are now in a position to send through details regarding your child's place at Chetwynd Junior School.

Firstly, on behalf of the staff, I would like to say welcome to Chetwynd Junior School. I have been Headteacher since September 2020 after being Deputy Head here for 8 years. As staff we are continuing to develop our fabulous school for the children, in the last year this has included becoming an Opal Play school. We are delighted that your family will be joining us or continuing your relationship with our school if you already have older children in our care.

We have as always been working closely with your child's current infant school to ensure the children have the best start possible to their education at our junior school. The Senior Leaders of both schools have already had some meetings with Whitestone Infant School and we would like to thank the staff for their partnership in supporting all of the children in Year Two that will be transitioning to us. We will be continuing those meetings over the next few weeks so class teachers can liaise closely about the children. If your child comes from an alternative feeder, do not worry, we are in touch with their current school.

We are currently in the process of arranging classes. We will be writing to you again after half term with information regarding your child's new class and teacher.

We are really looking forward to welcoming your child for their induction day with us on **Wednesday 8th July**. We will write closer to the time with information about their new class teacher and what they can expect from the transition day.

We will be holding a parent induction evening on **Monday 22nd June, 5:30pm – 6:30pm**. This will be an opportunity for you to meet your child's new teacher, find out more about our school and curriculum and have a tour if you have not already visited the school.

We will also be inviting parents of children with a special educational need in to school to meet our SEND Lead. This will give you an insight on how we support pupils at Chetwynd. This will be a drop-in session held **on Tuesday 7th July, 3:30pm-5:00pm**.

If you have any questions in the meantime please email the school on admin2581@we-learn.com.

Kind regards,

Miss Lawes

Headteacher
