Artsmark Gold Award Awarded by Arts Council England

PSQM Primary Science Quality Mark Valid 2023 - 2026

15th September 2026

Dear Parents and Carers,

Over the next few weeks, Year 6 will be taking part in an exciting Enterprise Project. The children will be working together to plan and organise their own Cake Sale, Good-Condition Book Sale and Toy Sale to take place on Friday 16th October.

This project will give the children the opportunity to develop valuable skills such as teamwork, communication, budgeting, planning, marketing and money management, while having lots of fun along the way.

How you can help

We would be grateful for donations of:

· **Cakes – both shop-bought and homemade cakes are welcome.**

· **Books – new or used, but in good condition and suitable for children.**

· **Toys – clean, complete and in good condition.**

Allergy Information

To help ensure that everyone can enjoy our cake sale safely, all cakes must be accompanied by a full ingredient list and **must not contain any nuts or nut-based milk products**. This requirement applies to both homemade and shop-bought cakes.

If you are providing a homemade cake, please include a complete list of ingredients used, highlighting any potential allergens. For shop-bought cakes, please send the original packaging or a clear label showing the ingredients and allergen information.

We will also have a dedicated section for cakes suitable for children with specific dietary requirements or allergies. These cakes will be clearly labelled and kept separate from other items to help reduce the risk of cross-contamination.

To ensure they have the best possible choice, children with known dietary requirements or allergies will be invited to visit the cake sale first, before it opens to the rest of the school. This will give them the opportunity to select from the cakes that are suitable for their needs.

Our Enterprise Sale

The children will be involved in deciding how the sales will be organised, setting prices, advertising the event and managing the stalls. They will also learn about costs, profits and making responsible business decisions.

Please send any donations into school by Thursday 15th October. Books and toys can come in from 12th October.

We are really looking forward to seeing the children develop their entrepreneurial skills and turn their ideas into a successful enterprise. Thank you, as always, for your support and generosity.

Kind regards,

Year 6 Team
