The Children will spend the morning of Wednesday 24th in class. They will have lunch early at school and leave approximately 12:30pm.

Once they arrive at Manor Adventure site they are shown to their rooms, they have a tour and they practice the fire drill.

They then complete their first activity. Each activity lasts for an hour and a half.

Then then have dinner.

They will then have a final activity which finishes at about 8pm.

Children sleep in en-suite dormitories which are refurbished on a regular basis and kept up to date.

Children will be using a lot more energy than they would normally do, so it is very important that each child receives three substantial meals per day. The children will be provided with good quality and quantity of food. The food is fresh, tasty, nutritious and plentiful.

Manor provides meals with plenty of fresh vegetables, fresh fruit and a large choice of salads.

We have found that the children return to school highly motivated by their experiences at Manor Adventure. Each child, while at the centre is challenged, stretched and encouraged to achieve whilst in a safe caring environment which contributes to their personal and academic growth.
