Dear Parents and Carers,

Thank you for your continued support of the School Streets scheme on Caroline Close, for Chetwynd Junior School.

As we approach the half-term break and prepare for the new term, we wanted to take the opportunity to remind families about the School Street arrangements and how you can help keep journeys to and from school safe for everyone.

As a reminder, the School Street restrictions will be in operation following half term, and enforcement can take place. We kindly remind all parents, carers and school visitors to continue adhering to the restrictions during school drop-off and pick-up times.

The School Street scheme has been introduced to improve safety for children and families travelling to and from school by reducing traffic and congestion around the school gates. Your ongoing support plays an important role in helping to create a safer environment for everyone.

To support the scheme, families are reminded to continue using the designated Park and Stride location at Pauls Land where possible. If you do need to drive, please ensure you park safely, legally and considerately, avoiding locations that may obstruct visibility, access, or crossing points.

Although vehicle access is restricted during operational times, there may occasionally be authorised vehicles within the School Street, such as residents and other exempt vehicles. We therefore ask parents to continue reminding children to walk and scoot on the pavements and to remain aware of vehicles at all times.

Warwickshire County Council Officers, Warwickshire Police, the school and partner agencies will continue to support the scheme and monitor compliance.

If you have any questions regarding the School Streets scheme, please contact the Warwickshire County Council School Streets Team at **schoolstreets@warwickshire.gov.uk** or visit **www.warwickshire.gov.uk/school-streets** for further information.

Yours sincerely,

School Streets Team
