Chetwynd Junior School Newsletter

Artsmark Gold Award Awarded by Arts Council England

PSQM Primary Science Quality Mark Valid 2023 - 2026

October 2026

Chetwynd Junior School should be seen as an extension to the family.

Hello from Miss Lawes

As many of you know, I am preparing to begin my adoption leave. I would like to take this opportunity to thank you all for the wonderful emails, kind words and congratulatory conversations I have received. Your support and thoughtfulness have been truly touching, and I am incredibly grateful for the kindness shown by our school community.

It has been a fantastic start to the new academic year, and I am delighted with how well the children have settled back into school life. A special welcome must go to our Year 3 pupils, who have made an amazing start to their journey at Chetwynd Junior School. They have approached each day with enthusiasm, confidence and smiles, and we are very proud of them.

It has also been wonderful to see such a positive uptake of our extracurricular clubs this term. These opportunities allow children to develop new skills, interests and friendships beyond the classroom. We do still have some spaces available in a number of clubs, so please take a look at the included club timetable if your child would like to get involved.

Congratulations to all of the children who have recently been selected as members of our School Council and as OPAL Ambassadors. These are important roles within our school, and we are confident that you will represent your peers brilliantly, act as positive role models and make a valuable contribution to school life.

Finally, a very special mention goes to our two newest members of the Chetwynd family, Honey and Winnie! These wonderful school dogs have already captured the hearts of both children and staff and are settling in beautifully. We look forward to the happiness, comfort and smiles they will continue to bring to our school community.

Thank you, as always, for your continued support and partnership. We look forward to another exciting and successful term ahead.

Miss Lawes

School Mobile No: 07414 208 963 for **texting** in sickness or absences.

What is a School Street?

A School Street is a traffic management scheme designed to improve road safety and air quality outside schools. During specific times at the start and end of the school day, the road outside the school is restricted to vehicles, creating a safer and healthier environment for pupils and families.

Why is it being introduced?

The School Street scheme aims to:

- Reduce traffic and parking pressures outside school.
- Improve road safety for pupils and families.
- Encourage walking, cycling and scooting to school.
- Improve air quality and create a more pleasant environment for everyone.

How will it work?

A Traffic Regulation Order (TRO) has been introduced which prohibits vehicles without a permit or valid exemption from entering the restricted area during operating times.

Location: Caroline Close, Chetwynd Junior School, Nuneaton.

Operating Times (term time only):

- **8:15am to 9:15am**
- **2:30pm to 3:45pm**

Signage will be displayed at the entrance to the restricted zone.

Residents and Blue Badge Holders

Residents living within the restricted area can apply for a permit for each vehicle. Blue Badge holders may also apply for a permit. A permit is required regardless of who is driving the vehicle. Applications can be made by emailing: schoolstreets@warwickshire.gov.uk

Enforcement

The Police have powers to enforce the restrictions. Drivers entering the restricted zone during operating times without a valid permit or exemption may receive a Fixed Penalty Notice.

Advice for Parents and Carers

Caroline Close will be closed to through traffic during the restricted times. Families who live further away are encouraged to use nearby Park and Stride locations and walk the final part of the journey to school.

Please remember that some vehicles, including resident permit holders and exempt vehicles, may still be present. Always use pavements and follow the Road Safety Code.

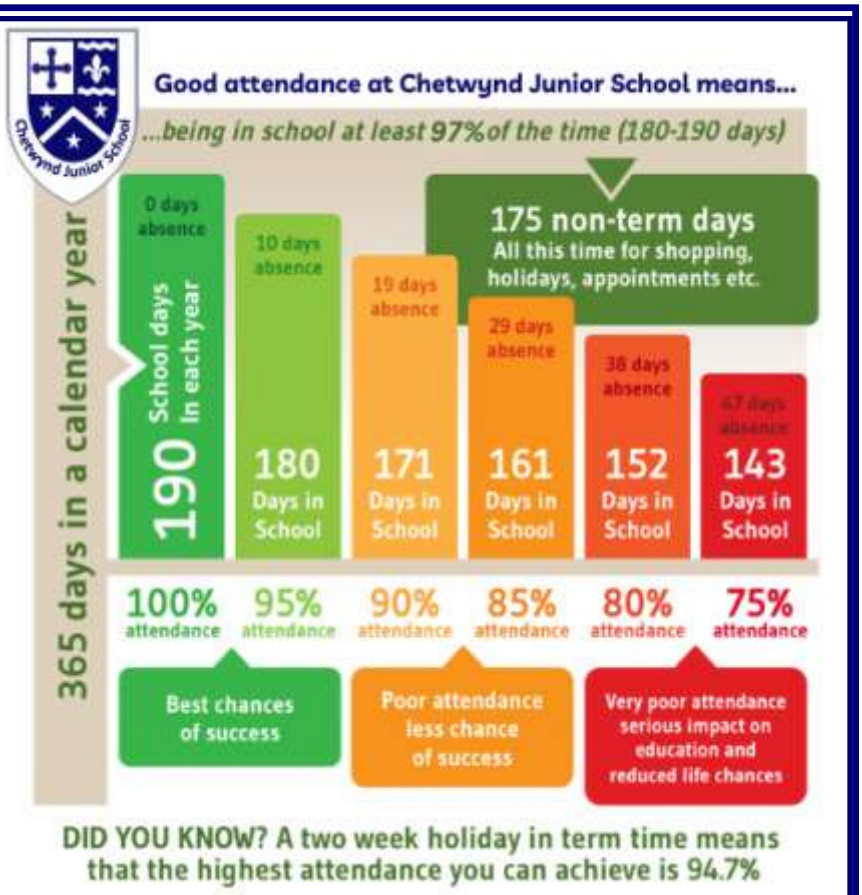

Further Information visit:www.warwickshire.gov.uk/active-travel-schemes/school-streets

Attendance Key Messages

Attending school is important to make sure children achieve their potential. Taking holidays during term time can greatly impact on children's attendance and mean that whole sections of learning are missed. If a child achieves 80% attendance this means that they have missed approximately 40 days of education over the academic year, averaging 1 day per week.

10 days holiday leave a year is the equivalent of two whole terms of education missed during your school career.

15 minutes of lateness a day equals one whole year of education missed during your school career.

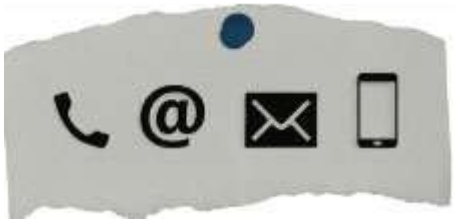

Reporting inappropriate parking

Warwickshire County Council have an online reporting system where vehicles parked in contravention of parking restrictions can be reported: **https://www.warwickshire.gov.uk/contraveningparkingrestrictions**

These reports are monitored by the Civil Enforcement/Parking Management Team and although resources do not allow an immediate response, the reports are intended to bring to our attention an area of possible concern, which will be investigated as resources and priorities allow.

Reminder: Update Your Contact Details

Please let the school office know **as soon as possible** if you have changed any of your contact details, including **mobile number**, **email address**, or **home address**. It is essential that we have the most up to date information at all times so we can contact you quickly if needed.

End of Day Arrangements

If your arrangements for collecting your child after school are different or change for any reason, please let the school office know before **1:30pm**, to ensure your child leaves school safely. If your child is added or removed from the Stepping Stones Kids Club list during the school day, please let both the school and Kids Club know.

Thank you for your continued support.

Applying for a secondary school place

Secondary entry

The application process opened on 1 September 2026 and the deadline to apply for a secondary school place is 31 October 2026. If you apply by this date, you will receive your child's school outcome on National Offer Day (1 March 2027).

Applications made after this date will be classified as late and won't be processed until after 1 March 2027, by which time many schools will be full and you are much less likely to be offered a place at your preferred school.

No Nuts and Birthday Sweets

At Chetwynd Junior School, we are always striving to create a safe and inclusive environment for all of our pupils.

No Nuts in School

We kindly ask parents and children not to bring nuts or products containing nuts into school. This includes items such as peanut butter sandwiches, chocolate spread sandwiches, nut bars, and any snacks with nuts as an ingredient.

We have children in our school with nut allergies, and even small traces of nuts can pose a serious risk to their health. By keeping our school nut-free, we can ensure the safety and wellbeing of all our pupils.

Birthday Sweets

We would also like to request that parents do not send sweets into school for birthdays. While it's a lovely gesture and a kind way to celebrate with the class, there are increasing challenges in managing this. Children's allergies, alongside regulations such as Natasha's Law, make it difficult to ensure all treats are suitable for everyone.

By making this change, we also hope to remove the pressure on parents to provide sweets that meet everyone's needs, allowing birthdays to remain a joyful and inclusive occasion without added worry.

We thank you for your understanding and support in helping us maintain a safe and welcoming environment for all our children. If you have any questions about these updates, please don't hesitate to get in touch with the school office.

Chetwynd Junior School

Learning ♥ Playing ♥ Growing ♥ Together

Better Play Brighter Children ♡

Big ideas...

Creative play...

Real experiences...

...Happier children, brighter futures! ☺

We are an OPAL school!

OPAL (Outdoor Play and Learning) is a programme that helps schools make play times richer, happier and more inclusive for every child.

Outdoor Play and Learning

Why is play important?

Play is much more than fun – it helps children to:

- Be happier and healthier
- Build friendships and social skills
- Develop creativity and problem-solving
- Take appropriate risks and build resilience
- Be more ready to learn in the classroom

Through OPAL, we are creating an exciting and varied play environment where children can explore, imagine, be active and play in their own unique ways.

"Play gives children a chance to practice what they are learning about life." ♡

Can you help us?

We are looking for donations of the following items to help develop our OPAL play areas. If you have any of these at home or through work, we would be very grateful!"

Plastic pallets

Wooden pallets

Water butts

Blue barrels

Crates

Pipes

Guttering

Scooters

Dressing up clothes

Suitcases

Donations can be brought to the school office or please speak to a member of the OPAL team if you need help with larger items. Thank you!

Together, we can make play even better for our Chetwynd children! ♡

♥ Curious Minds ♥ Kind Hearts ♥ Brighter Tomorrows ♥

Baby News! 👶💙

We are delighted to share some wonderful news with our school community. During the summer holidays, Mrs Bansal welcomed a beautiful baby boy into the world!

Both mum and baby are doing well, and we would like to extend our warmest congratulations to the Bansal family on their new arrival. We are thrilled for them as they begin this exciting new chapter.

We look forward to meeting the newest member of the Bansal family and hope to welcome them both back for a visit to school very soon. Congratulations once again!

Name it, don't lose it!

Our lost property collection is growing by the day, and we are currently inundated with unnamed items of uniform, coats, PE kit, water bottles and lunch boxes.

We always do our best to reunite lost items with their owners, but this is only possible when items are clearly labelled with a child's name. Unfortunately, if there is no name in an item, it can be very difficult, and sometimes impossible, to identify who it belongs to.

A simple name label can save time, reduce stress and help ensure that expensive uniform items are returned quickly to their owner.

Please help us to help you by checking that all uniform and belongings are clearly labelled with your child's name. This includes:

- School jumpers, t-shirts and cardigans
- PE kits
- Coats/Jackets
- Water bottles
- Lunch boxes
- Hats, scarves and gloves

Taking a few moments to label belongings now can make a huge difference and help reduce our ever-growing lost property collection.

Thank you for your support and cooperation in helping us return lost items to their rightful owners.

School Council

Congratulations to our newly elected School Council representatives!

Class 1 – Ella T Class 2 – Lenny W Class 3 – Jack S
Class 4 – Avineet G Class 5 – Arjan S Class 6 – Emily Wa
Class 7 - Harper W Class 8 - Arlo W Class 9 – Zoey A
Class 10 - Guy S, Coulton W, Heidi P, Lily P
Class 11 – Oliver H, Saran D , Abbyjeet K, Lucy J, Scarlett B
Class 12 – Charlotte C, Katie N, Archie S, Jacob Sm

We are delighted to announce the children who have been chosen by their classmates to represent their year groups on the School Council this year. This is an important role within our school, providing children with the opportunity to share ideas, voice the opinions of their peers and help make positive changes within our school community.

We know that our School Council members will approach their role with enthusiasm, responsibility and dedication, and we look forward to seeing the difference they make throughout the year.
Well done to everyone who put themselves forward and congratulations to those who were successful.

OPAL Ambassadors

Congratulations to our OPAL Ambassadors!

Year 3: Jessica D & Oliver HH

Year 4: Ronnie B, Clara S & Zara B

Year 5: Vincent H, Erin J, Penny H

Year 6: Matthew C, Zac C, Harry HH, Logan H, George P

We are pleased to announce this year's OPAL Ambassadors. These children have been selected to help champion our OPAL programme by promoting positive play, supporting their peers and helping to make playtimes enjoyable, inclusive and engaging for everyone.

Being an OPAL Ambassador is a fantastic responsibility, and we know that our ambassadors will be excellent role models who embody our school values. We look forward to seeing them lead by example and help continue to develop our exciting play provision throughout the year.
Well done to all of our new OPAL Ambassadors.
We are incredibly proud of you and can't wait to see the positive impact you make!

STAR WRITER

YEAR 6 - JOSEPH M

Monday 14th September 2026

L.O. To describe a scene (cold write)

The house of horrors

Goosebumps prickle your skin as soon as you enter the old ~~creak~~ creaky house, and death lingers around every corner. The walls are slick with blood, and shattered, grimy windows break up the peeling wallpaper. The putrid smells of cadavers and rotten flesh stink out the house, as withered, bloodstained corpses pull themselves out of the coarse dirt. The house sways and creaks beneath your feet, as the ghostly wails of the passed haunt the air. Foul cobwebs fill the place like litter, and spectral figures flit through the dirty mirrors and shattered ~~cracked~~ windows.

Outside, wolf hounds haunt the dark night, and the tree branches rustle like wiggling fingers. Enormous trees twist into the immense skeletal frame of the house as banshees cry out, causing imminent death. Fog settles over the house like a blanket, and rotten, nauseating hands claw out of the ground. The doors lay askew on their hinges, as cobwebs grow in the gaps. Decaying bones cover the ground, and leafless branches cover the crumbling structure. Sinister coffins are buried beneath the surface, and those who come here never return...

WOW! WOW!! WOW!!!

🐾 Meet Our New School Dogs! 🐾

We are delighted to introduce two very special new additions to our school community... our school dogs, Winnie and Honey!

Winnie is a 6-year-old Cockapoo who loves plenty of fuss and affection. She enjoys spending time with people and is always happy to receive lots of love and attention. Winnie's favourite food is chicken, although she isn't quite so fond of pigeons!

Honey is a 4-year-old Cavapoo who absolutely loves cuddles, walks and tasty treats. She enjoys being around others and dislikes being on her own, which is one of the reasons she loves spending time in school. Her favourite food is a cocktail sausage, and she is always happiest when surrounded by company.

Why Breakfast Matters!

A healthy breakfast helps children stay focused, energised, and ready to learn. Eating before school supports concentration, behaviour, and overall wellbeing throughout the school day.

Examples of a Healthy Breakfast

· Whole-grain cereal with milk or yoghurt
· Porridge topped with fruit
· Wholemeal toast with peanut butter, eggs, or banana
· Fruit smoothies made with yoghurt or milk
· Fresh fruit with a handful of oats or nuts

Breakfast on the Go

Perfect for busy mornings:
· A banana or apple with a yoghurt
· Wholegrain breakfast bars (low sugar)
· A cheese or peanut butter wholemeal sandwich
· Overnight oats in a small container

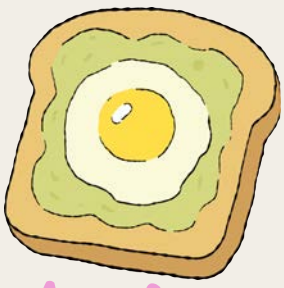

Need Help or Support?

If you need advice, help accessing breakfast foods, or would like support from the school, **please contact us** — we're here to help ensure every child starts the day ready to learn.

Mental Health Support Team in Schools

Tips For Wellness Change

Dimensions tool

Free online personalised self-care information & support for adults and children in Coventry & Warwickshire

Changes are a normal part of our lives and they affect us all in different ways. Some changes may feel small to you, but big to another person, and the opposite for a different change. For example, moving to a new class or school, moving homes, or starting a new club. They can feel exciting, but they can also feel overwhelming and stressful, especially when they are unexpected. Below are some tips to help you cope with changes that may feel hard for you.

Our tips for coping with change:

1 – Keep doing things you enjoy!

When we feel stressed or worried, it can be easy for us to focus on the worries all the time and forget to do the things that make us happy. Make sure to plan in time at the weekends and evenings to do things you enjoy to help you relax and boost your mood!

2 – Think about what you can control

When a change is unexpected or overwhelming, we can feel a bit like we have no control over the situation or how it is making us feel. It can be helpful to think about what you do have control over in this situation. For example, we can't control how the change makes us feel but we can control how we react to the situation and what we do following the change. Such as, staying connected with our friends and family, keeping to our daily routines, and planning ahead where we can.

3 – Look for the positives

While change can feel hard, there's often something good that comes from it, even if it is not immediately obvious. Such as, new opportunities, new people or learning experiences. You might even surprise yourself and enjoy the change!

In Coventry and Warwickshire, for any urgent mental health concerns, contact the RISE Crisis Helpline available 24/7, by calling NHS 111. Alternatively, call 999 or visit A&E in an emergency, for example if medical attention is required.

MHST are available to support you and your school throughout the school year including term time and school holidays.

Please contact your school's Mental Health Lead for information and advice.

Children and Young People's Social Groups

Groups are safe spaces for 7–18 year olds to connect with others, talk about different topics, and take part in activities without the need to mask.

Respectful Conduct at School Pick-Up Time

We've recently received feedback from members of our community regarding behaviour during school pick-up times. We kindly ask all parents and carers to help us maintain a safe, respectful, and clean environment for everyone.

Please be mindful of the following:
Parking safely and legally: Poorparking and road awareness pose serious risks to children and other road **users**

No littering: Cigarette ends and other litter are being discarded near the school entrance and surrounding streets. This is not only unsightly but also a legal offence.

Respect for our neighbours: Our school is part of a wider community, and we ask everyone to treat the surrounding area with care.

Let's work together to ensure our school remains a safe and welcoming place for all. Thank you for your cooperation.

Free School Meals

Families who receive the following are eligible for free school meals:

- Income Support
- Income-based Jobseeker's Allowance
- Income-related Employment and Support Allowance
- Support under Part VI of the immigration and Asylum Act 199
- The guaranteed element of Pension Credit
- Child Tax Credit (provided you're not also entitled to Working Tax Credit and have an annual gross income of no more than £16,190)
- Working Tax Credit run-on - paid for four weeks after you stop qualifying for Working Tax Credit
- Universal Credit - household income must be less than £7,400 a year (after tax and not including any benefits you get)

Family Information Service

For general family support, advice and guidance, visit: www.warwickshire.gov.uk/children-families or **call 01926 742274.**

Don't forget!

To support home school communication, we have Year Group emails available for parents. **Please mark in the subject which teacher the email is addressed to.**

YEAR 3: Year32581@welearn365.com
YEAR 4: Year42581@welearn365.com
YEAR 5: Year52581@welearn365.com
YEAR 6: Year62581@welearn365.com

Operation Encompass

We are an Operation Encompass School. For more information on our safeguarding policies, please visit https://www.chetwyndjuniorschool.co.uk/safeguarding-1/

OPERATION ENCOMPASS
In every force. In every school. For every child.

Ofsted
